## EXPERIENCE

Social Print Studio, 2012–Present

*Producer | Creative | Designer | Photographer*

Being a start up company I had many roles here. I started as the lead photographer. Photographing and uploading all products onto the site. Moved into the creative services realm of SPS. There I handle projects from concept to deployment. Create concept videos. Concept new ideas. Manage clients and accounts.

Frankeny Images, 2011–2012

*Studio Manager | Digital Retoucher | Assistant Photographer*

Prepared, organized and scheduled shoots both in studio and on location. Retouched images to be ready for both web and print. Primarily photographed food and beverages for cookbooks.
